

LURE-COURSING FUN DAY!

From JUDY BOXER: The PVSSC enjoyed another Lure-coursing Fun Day November 14, at the Millard's Wing and Wheel Farm in Marshall, VA. As in the past, our dogs did very well at chasing that plastic "bunny". It is even more fun when they get to "catch" it, of course. Our schnauzers enjoy this activity, at any age. Many thanks to everyone that participated, and thanks again to our hosts Paul and Cindy Millard. Our chili chefs performed well turning out great pots of chili. Linda Dobbie generously donated the hot dogs, which everyone seemed to enjoy. Thanks to Melissa for putting this lunch together. We had great weather and good judges and a good time was had by all!!!

From KAREN PEAK: What a wonderful day was had by all at the Lure Coursing Fun Day! Dogs and handlers of all ages met for good food, fun and chasing those white, plastic rabbits. Thank you to our gracious hosts and those who provided food. A special thank you must go out to the judge and her assistant. The weather was nice: sunny, not much wind and not as cold as last year. Congratulations to the winners and those who persevered.
