# WELCOME

The PVSSC Officers and Directors work hard to keep the club functioning and thriving. For the past 2 years, Directors Michelle Bell and Candace Craig have contributed greatly to the success of the PVSSC. Their terms are expiring in May 2020. We would like to recognize these two individuals that have given much time and effort to the club.

Michelle Bell initiated and manages the PVSSC annual Barn Hunt trials, well attended by many club members as well as others. She also organized the very useful BH seminars. These events require a tremendous amount of time and organization. Michelle also serves as Trial Secretary without compensation. The BH trials have become one of our most popular and widely attended club events.

Candace Craig has also been a very resourceful Director. Candace provides the technical system for our BOD to meet via conference calls, resulting in time and travel savings for the BOD members. Candace also set up the PayPal system for dues payments and event fees, and has enabled the club to hold the video conferencing general meetings.

The PVSSC WireTap has always been the primary communication tool that keeps club members informed. Gail McKiernan began as Editor in 2000 and under her lead, each issue has increased in content and in-depth coverage. Gail's knowledge of the activities and of our events and the individual members accomplishments has made the WT the most valuable tool of the PVSSC.
