KEY RACE UPDATE:
FASTCAT RESULTS DECLARED

We all had a great time at the PVSSC FastCAT trials held 10/31-11/1 in Walkersville, MD. The weather was beautiful on Saturday and picturesque. On Sunday the rain held off just enough for the schnauzers to run and then it poured and rained until about Noon. We did a Running of the Schnauzers on Sunday with 8 schnauzers! It was great seeing all the beards and ears flying! Between the two days we had a total of 361 runs. I believe we had about 10 SS entered in the trials and 2 other SS did fun runs on Saturday. Many people complimented on how our club members were friendly! We had even more people comment on our club's beautiful ribbons!! A few even said they remembered our ribbons from last year and made a note to enter our trials this year so they could title and get one of our lovey ribbons! All in all the trials were a great success!
