PVSSC ANNUAL AWARDS PICNIC

Almost Forty PVSSC members and their dogs gathered on Saturday, June 18 for our second Annual Awards picnic, held again at Northern Fauquier Community Park's Lakeside Pavilion. In contrast to last year's humid heart, this year we had a cold wind that had everyone scrambling for jackets and even blankets! Rose Miller started off the activities with both Trick Dog and Canine Good Citizen tests. Congrats to new TKI and TKA Ch. Halcyon's Eye of the Tiger, owned by Pat White, and new CGCs Am Made's & Celtic Cross Star Witness, owned by Melissa Dimeler, Hidden Creek's Henry, owned by Ila Schmeling, and Hidden Creek's Neverending Story, owned by Sue Anne Howell.

The day soon warmed a bit, and we all enjoyed a great barbecue lunch from Red Dog BBQ food truck, a hotly contested silent auction, some door prizes, a brief club meeting and then – the climax of the afternoon, our 2021 Annual Awards! It is amazing how many new titles and other accomplishments members racked up last year, despite all the obstacles thrown up by Covid! The full list can be found in the beautiful PVSSC 2021 Annual Awards Brochure, which will be emailed to all members with this Wiretap and also posted on our website at www.pvssc.org. Our top "Of The Year" winners are on the next page. Congratulations to all!
