

January 22 PVSSC Meeting!

The first in-person, in-home PVSSC meeting in several years was held January 22 at the Millers' home in Fairfax, Virginia. We had opted to try a Sunday afternoon get-together, which was well-received. This was a hybrid format meeting, with members at a distance joining by computer using RingCentral. There were 15 members and prospective members in attendance, and another 18 participating on-line. Much of the meeting was taken up with business, as we had a lot of catching up to do, but afterwards folks enjoyed snacks while watching the 2022 AKC National Championship's Owner-Handler Working Group where Carol Filer's GCHB Mystic's Early Rizer took Group 3!

The Club is planning a number of activities in 2023, including FastCAT Trials, our Awards Picnic, a Dock-diving Fun Day, our Annual Specialty and Match, and hopefully a Farm Dog Certification test. PVSSC will have a Supported Entry at Carroll Co. K.C. May 21, with a meeting to elect 2023-24 officers, and hopes to have another hybrid, in-person meeting in March. A number of folks volunteered to help with these activities, so important in providing varied opportunities for members to have fun with their SS.*

Thanks to Nicole, Elaine and Bob Miller for being (as always) the perfect hosts!
